Laughing Stock

Grandaddy

We do believe it ends right here The orchestration and the dream is clear Shuttle departs and they're all there Everyone's cracking up but we don't care And we agree It's what we need Orchestrareal Whisper the cymbals ride on in Though this time we'll trade the strings for old 110 Headphones will assure position when The crowd fades and the overture begins And we agree It's what we need Orchestrareal I don't believe the way this feels Slight alterations leave enraptured ears Headphones will insure possessions when The crowd fades and the overture begins And we agree It's what we need Orchestrareal
