

## Crooked Dice

Grant Lee Buffalo

Hey, I'm a gentleman  
But I can take it 'bout as long as long can last and then  
I'll take it on the chin  
Mud is handy only when it comes to slingin' it  
Oh, 'cause you ain't playing nice  
You've been rolling crooked dice  
Oh, 'cause you ain't playing nice  
You've been rolling crooked dice  
Hey, all you faker men  
You get me when I'm goin', get me while I'm comin' in  
I need not to pretend  
But it's handy when I have to treat you like a friend  
Oh, 'cause you ain't playing nice  
You've been rolling crooked dice  
Oh, 'cause you ain't playing nice  
You've been rolling crooked dice  
Hey, all you gamblin' souls  
You play the horses and you put me through your rigmarole  
But I can feel you sinking low  
And in fact you've fallen right in your own pigeonhole  
Oh, 'cause you ain't playing nice  
You've been rolling crooked dice  
Oh, 'cause you ain't playing nice  
You've been rolling crooked dice  
You've been rolling crooked dice  
You've been rolling crooked dice  
You've been rolling crooked dice, yeah  
Crooked dice  
You've been rolling crooked dice  
You've been rolling crooked dice  
You've been rolling crooked dice  
...
