

# Troublemaker

Green Day

Hey!  
You're giving me a heart attack  
You're giving me a cardiac arrest  
When I'm sitting at the traffic light

Hey!  
I wanna get inside of you  
I wanna crack your cranium, delirium  
On the lower east side of your mind

I wanna be a troublemaker  
I wanna be a troublemaker  
I wanna be a troublemaker  
I wanna be a troublemaker

Hey!  
I like your BMW  
I like your BM excellent tits  
With a tattoo of a pig sniffing glue

Hey!  
You're living at the W  
You're looking like a Jezebel, hot as hell  
Sun burn in a pink bathing suit

I wanna be a troublemaker  
Wanna be a troublemaker  
I Wanna be a troublemaker  
Wanna be a troublemaker

Easy cum and go  
Gonna go it alone  
Knock yourself out  
With a shot of Patron  
I wouldn't say I'm straight  
'Cause I'm bent out of shape  
From now till death do we party  
Just before it's too late

Hey!  
You're giving me a heart attack  
You're giving me a cardiac arrest when I'm sitting at the traffic light

Hey! Hey! Hey! Hey!
