

China

Greg Brown

Baby still looks like you're on your way to china
China, chi-nay, far away
Baby said how long you gonna stay in china
China, chi-nay, far away

I said I'll be back as soon as I can from china
China, chi-nay, far away
I said babe I hope you understand about china
China, chi-nay, far away

I'm walkin' with my baby but man I'm in china
China, chi-nay, far away
I'm talkin' with my baby but mmm I'm in china
China, chi-nay, far away

I come in on the run from china
China, chi-nay, far away
I tried to hug my baby some, she's in china
China, chi-nay, far away

O maybe somewhere down the line O china
China, chi-nay, far away
We'll get back the same time from china
China, chi-nay, far away

Baby said looks like you're on your way to china
China, chi-nay, far away
Baby said how long you gonna stay in china
China, chi-nay, far away
