

## Eight

Grimes

It's always sometExplainhing  
It's always something

I know you're runnin' and we know  
This town

Go where you want to go  
When you get there you'll be wishing you were back home  
Oh, go where you want to go  
Because it's got me  
And I can't stop

You want to find  
Singing for you softly

Go where you want to go  
When you get there you'll be wishing you were back home  
Oh, go where you want to go  
Because it's got me thinking  
And I can't stop
