Mad mullahs and dirty bombs  
Alert the coasal command  
Ack-ack positions everyone  
She's my honey bee and here she comes  
Cancer rabies SARS  
Hairy beards and hurtling stars  
Won't somebody touch me?

Honey bee lets fly to MARS  
Buzz buszz buzz

There's a kid laying on the lawn  
His neighbours on the telephone  
The dispatcher asks What's going on?  
Please Sir, what's going on?  
The kid is laying on the lawn  
He's been giving me shit for years  
He rides his bike across my lawn  
Now he's laying on the lawn  
Won't somebody touch me?  
O someone please touch me!  
Honey bee lets fly to Mars

Scud missiles Asian flu  
The easily offended  
We are the undefended  
We are the undefended  
Won't somebody touch us  
There's a virus come to town  
Won't somebody give me a kiss  
He's been giving me shit for years
