Yο You wanna know why we do this We keep speakin' these verses In purpose of breakin' curses With persecutional surface keep tryin' to Put us in hearses it seems Even the churches been blinded for recognizin' our talent It's part of the plans of God reachin' man Understand so many searchin', understand so many hurtin' Flirtin' with death, and slowly closin' the curtain on hope To find a better way, a brighter light and darker days Strike the spark to start, and burn a bluer blaze Maybe we missed it but um, what if we didn't these drums Maybe the difference is needed for when it sums So I dedicated my body to be the sacrifice Livin' and the beat it copy write written to raise dead And the course read led by be sweat Which is to be the beacon they seakin', when somethin' has gotta give So eternal existence is not a tellital mistant But a reality of faith, believin' in He, recievin' through me Call and I'll be there Talkin' to you now We do, to believe in me To we be easily Where are you goin'? Call and I'll be there Talkin' to you now We do, to believe in me To we be easily Where are you goin'? Happiness is my accomplice Part of myself, up outa this rut without a map or compass Doin' good is so presumtius It's one of my many functions I got the skinny anyone of y'all walkin' awful penny That's why I speak so gently Help out like Farnsworth Bentley Just do my part and put my heart and whole, though trials may tempt me Play full of the emotions pinley Speak through my actions lately Problems is stackin' baby Control the freak in me secretly that's what's crackin' baby And you don't have to hate me Or under rate what I do Conviction with diction I choose to use expressin' my view Tell me whose land we on And get a gander of the man and conversate When and whose gate we landed on Attackin' my defenses So relentless knock me senseless And I woke to those ones faces and the traces of repentance Baby gotcha smellin' the guns smoke smoke I awoke profusely and loosely Evoke the one quote Call and I'll be there Talkin' to you now

We do, to believe in me To we be easily Where are you goin'? Call and I'll be there Talkin' to you now We do, to believe in me To we be easily Where are you goin'?
