

Money & Milk

Guano Apes

You want to live so perfect
in a world of money and milk
your time goes by
it's so sad to see
expose to lose your ground
I'll never be around

You don't try enough
so you won't get it
You don't try enough
You'll never get it

perhaps we live in peradise
and maybe noone cares
miricles everyday, everywhere
all the little fates you don't see
I'll never let them down
They ever be around

You don't try enough
so you won't get it
You don't try enough
You'll never get it

You don't try enough
so you won't get it
You don't try enough
You'll never get it
I will never have it
cos I never had it
