

Patience

Guns N' Roses

Shed a tear cause I'm missing you
I'm still alright to smile
Girl I think about you every day now

Was a time when I wasn't sure
But you set my mind at ease
There is no doubt, you're in my heart now

Sad woman take it slow
It will work itself out fine
All we need is just a little patience

Sad sugar make it slow and
It comes together fine
All we need is just a little patience

Sit here on the stairs
Cause I'd rather be alone
If I can't have you right now
I'll wait dear

Sometimes I get so candescent
But I can't speed up the time
You know love, there's one more thing
To consider

Sad woman take it slow
And things will be just fine
You and I just use a little patience

Sad sugar take the time
Cause the lights are shining bright
You and I got what it takes to make it

We don't fake it
Ahh and never break it
Cause I can't take it

A little patience
Mhh Yeah

I've been walking the streets tonight
Just trying to get it right
It's hard to see with so many around
you know I don't like being stuck in a crowd
And the streets don't change but maybe the name
I ain't got time for the game
Cause I need you
Yeah Yeah cause I need you
Uh I need you
Woh I need you
Uhh this time
