

# One Man Wrecking Machine

Guster

I built a time machine  
I'm going to see the homecoming queen

Take her to the Christmas dance  
Maybe now I'll get in her pants, whatever

Back with my high school friends  
Meeting where the train tracks end  
Passing round a skinny joint  
Going up to Lookout Point

R  
I want to pull it apart and put it back together  
I want to relive all my adolescent dreams  
Inspired by true events on movie screens  
I am a one man wrecking machine

Back in my parents' house  
Back to shouting out loud  
One day you'll be a man  
One day you'll understand

R  
I want to pull it apart and put it back together  
I want to relive all my adolescent dreams  
Inspired by true events on movie screens  
I am a one man wrecking machine

Inspired by true events on movie screens  
I am a one man wrecking machine

Solo:

Here in the present tense  
Nothing is making sense  
Waiting for my moment to come  
Everything is still undone

I tried to pull it apart and put it back together  
No point in living in those adolescent dreams  
Inspired by true events on movie screens  
I am a one man wrecking machine

Inspired by true events on movie screens  
I am a one man wrecking machine

Solo:
