Teri Yakimoto

Guttermouth

Teri yakimoto..

From tokyo..she came here for 90 days

By foreign exchange..

Teri yakimoto she barely speak my language

She's a genius with a mohawk

If only we could talk

One day I asked her if she knew bruce lee I think she thought he was in the offspring

Teri yakimoto I asked her out for a beef bowl She brought her ball and shoes and glove What was she thinking of? Teri yakimoto she's a japanese punk rocker With a tattoo of godzilla and a tribal zig-zag man

We went to go see (? ?) boy was she surprised When they played rock n roll (? ?) She got tears in her eyes...

Teri yakimoto in the back seat of my toyota With the hatch up she hops on top Teri never lets it stop

One day I asked her for a slice of pie I think she thought I asked for some stir fry

The other day teri said mark go get a big mac Then I had her walk on my...
