

Can You Stand The Rain

Guy Sebastian

On a perfect day, I know that I can count on you
When that's not possible
Tell me, can you weather the storm?

'Cos I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days, everybody loves them
Tell me can you stand the rain?
Storms will come, this we know for sure
Can you stand the rain?

Love unconditional, I'm not asking this of you
See, we've got to make it last
I'll do whatever needs to be done

'Cos I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days everybody loves them
Tell me can you stand the rain?
Storms will come, this we know for sure
Can you stand the rain?

'Cos I want you and I need you
And I love you
Will you be there?
Can you stand the rain?
