

# Lost in the Streets of LA

Guy Sebastian

I was walking down sunset vine  
Just lookin' to get by  
And that's when I saw her  
And she was reading a magazine  
But then she looked up at me  
That's when I fell for her

She was smiling, so inviting  
I was lovin' the view  
And the time it was just right and  
I had to make a move  
So I stood up  
And I tripped up  
And I knocked myself out  
And when I woke up she was gone

She was one in a billion  
And she was the one that got away  
I wanted to make her my own  
But I lost my love on the streets of LA  
Of LA, my baby, of LA

While I was laying out cold on the street  
I was dreamin of her and me  
Like we was together  
We were crazy in love  
What we had was so real  
We were livin' the high life  
In our house on the hill  
But I knew it  
That I blew it  
Yeah when I came to  
Cause it was then that I knew

That she was one in a billion  
And she was the one that got away  
I wanted to make her my own  
But I lost my love on the streets of LA  
Of LA, LA, LA

She was one in a billion  
She was the one that got away  
I wanted to make her my own  
But I lost my love on the streets of LA  
Of LA, of LA, yeah-yeah

She was one in a billion  
And she was the one that got away  
I wanted to make her my own  
But I lost my love on the streets of LA  
LA, LA, LA
