

You can't have me
I won't sign my life away
I'm not even gonna listen
Cause your words are based on lies
The truth escapes you
You put your foot in your mouth
Let me tell you what it's all about

I feel it here
The feeling is real
It's the only thing you can't take away
I feel it here
The feeling won't go
I'm gonna let you know
You can't have it
I wont give it
You can't take it away

Your foolish tounge
Has been divided
Two pths to follow
I'm on the side of the truth
Cause I'm united to something real
Something that you'll never be

I feel it here
The feeling is real
It's the only thing you can't take away
I feel it here
The feeling won't go
I'm gonna let you know
You can't have it
I wont give it
You can't take it away

H2O GO!!

I feel it here
The feeling is real
It's the only thing you can't take away
I feel it here
The feeling won't go
I'm gonna let you know
You can't have it
I wont give it
You can't take it away
