

# Innocence

Halestorm

You see it from the outside  
You're running toward the wall  
Swinging from your blind side  
But you don't know me at all  
I've been here too many times before  
And your tears don't mean a thing  
I only come when you scream, I told you

R: Child, don't follow me home  
You're just too perfect for my hands to hold  
If you choose to stay, you'll throw it all away  
And I just want to take your innocence

Is this what you wanted  
Did I make your dreams come true?  
You're sitting in a corner  
Wondering what you got into  
And you ache for things you don't understand  
That your tears don't mean a thing  
I only come when you scream, and I told you

R:

There's no such thing as fate  
Only yourself to blame you never walked away

R:
