Now or Never

I don't wanna fight right now Know you always right, Now I know I need you 'round with me But nobody waitin' 'round with me Been through the ups Yeah, the ups and the downs with me Got a whole lot of love But you don't wanna spread it 'round with me, yeah

Never pick up, never call me You know we're runnin' out of time Never pick up when you want me Now I gotta draw a line Baby, I done, done enough talking Need to know that you're mine Baby, we done, done enough talking Gotta be right now, right now

Baby, gon' love me now, now, now, now, now, now Now or never, hey, hey, hey I want you to hold me down, down, down, down, down Down forever, hey, hey, hey Said you know I wanna keep you around 'Round forever, hey, hey, hey I want you to love me now, now, now, now, now Now or never

I'm turnin' off the light right now I'm callin' it a night now Wishin' you were 'round with me But you're in a different town than me We've been through it all But you could never spit it out for me Tryna talk to a wall But you could never tear it down for me, yeah

Never pick up, never call me You know we're runnin' out of time Never pick up when you want me Now I gotta draw a line Baby, I done, done enough talking Need to know that you're mine Baby, we done, done enough talking Gotta be right now, right now

Baby, gon' love me now, now, now, now, now, now Now or never, hey, hey, hey I want you to hold me down, down, down, down, down Down forever, hey, hey, hey Said you know I wanna keep you around 'Round forever, hey, hey, hey I want you to love me now, now, now, now, now Now or never
