Tyrant Dies

Hammers of Misfortune

Behold I've come Ax in hand To lay claim to this your land Face me now I stand alone Rightful heir to yonder throne

Fool! How dare you come here With your insults and delusions Guards! Behead this wretch And fetch his ax for my collection

Good it is to taste this wine again And fall upon the necks of mortal men Drunk I am upon the blood of slaves Kingly blood I deign to taste

[dies]

[Villagers:]

"When the Ax is freed from hell A single stroke shall break the spell When the Ax is free again A brutal reign shall meet its end"
