

# That Heart Belongs To Me

Hank Snow

There are so many flirty guys  
With flirty, flirty ways  
And I am so afraid that they  
Will steal you some day  
But don't let 'em darling  
'Cause you belong to me.

No don't ever let them  
Make you think your heart is fancy free  
Don't let 'em darling  
That heart belongs to me.

The'll tell you that I trifle  
And that you should do the same  
They'll tell you that they need your love  
So why not make the change  
Don't do it darling  
That love belongs to me.

Oh, please don't let them blind you  
I still love you can't you see  
Don't let 'em darling  
That heart belongs to me.

They'll offer you a mansion  
Ask if you will be their queen  
So they can give you riches  
Make your life a happy dream  
But don't let 'em darling  
That dream belongs to me.

Oh, sure they'll try to buy your love  
With riches such as these  
Don't let 'em darling  
That heart belongs to me...
