

## Six Pack Of Beer

Hank Williams III

Well i'm working real hard and not gettin paid i'm sick of this  
life and i gotta get a break  
I've been real high and i've been down low and i live in a shack  
on a country dirt road  
so i'm workin real hard and not getting paid and i'm sick of this  
life and i gotta get a break  
and i just can't get by anymore. i've been real high and i've been  
down low  
and i live in a shack on a country dirt road and my best friend  
is my magnum forty four

Well workin' real hard ain't hard to do  
When you got you a lotta money comin' to you  
But I ain't got a dime so I'll just sit here  
Even Though I'm Broke I've Got A Six-pack of Beer.

Well I've paid my dues And I've paid my rent  
And they still try to take everything they can.  
Well I thought I had a good thing going on  
But the sheriff broke my door and he took me on  
And he said hey boy you owe the government.

Well workin' real hard ain't hard to do  
When you got you a lotta money comin' to you  
But I ain't got a dime so I'll just sit here  
Even Though I'm Broke I've Got A Six-pack of Beer.

So I workin real hard and not gettin' paid  
And I'm sick of this life and I gotta get a break  
And I just cant get by anymore.  
I've been real high and I've been down low  
And I live in a shack on a country dirt road  
And my best friend is my Magnum forty-four.
