

# The Devil's Movin' In

Hank Williams III

I don't want go home, I'm having too much fun  
Looking for things in life that I've never done  
I don't want go home, I'm having too much fun  
'Cause when I'm home alone, I'm a little bit down

My poor heart broken when you said goodbye  
I cried and tried to drink myself till I died  
Sleeping alone, there's a thing that's hard to do  
When I'm lying here thinking of all the things we used to do

And Lord I'm falling further, day by day  
The devil's moving in and he's gonna stay  
And Lord I'm falling further, day by day  
The devil's moving in and he's gonna stay  
The devil's moving in and he's gonna stay

And Lord I'm falling further, day by day  
The devil's moving in and he's gonna stay  
And Lord I'm falling further, day by day  
The devil's moving in and he's gonna stay  
The devil's moving in and he's gonna stay

The devil's moving in and he's gonna stay  
No, oh ohh, no, no, ohh
