Old flame new fire let the good times roll while the fire burns
out of control

Hello honey (how you doin') it's so good to see you

Sure has been a long time come right on in

You can kick your shoes off you can let your hair down

Baby you're lookin' so good just like I knew you would

Old flame new fire burnin' so hot cause we got a whole lot to c

Old flame new fire let the good times roll while the fire burns
out of control

Gonna make up for lost time I'm gonna make you a believer

I'm gonna spend your loving like money from home

You and me together ah we can make a good thing better

Can't do no wrong honey child from now on
