

# I've Got Soul

Hanson

I see you shaking in your boots  
Why won't you put your petty fears aside  
It's time to get your dancing shoes  
Well I'm about to show you why

I've got soul  
And I'm not afraid to use it  
You want more  
I can show you how we do it  
Don't just stand, just stand still  
Don't just stand, just stand still  
Don't just stand, just stand still  
Don't just stand, 'cause I, I got, I got soul

I've got a rhythm you can't lose  
If you let your body lead the way  
It's just a syncopated groove  
It might be more than you can take

I've got soul  
And I'm not afraid to use it  
You want more  
I can show you how we do it  
Don't just stand, just stand still  
Don't just stand, just stand still  
Don't just stand, just stand still  
Don't just stand, 'cause I, I got, I got soul

I've got soul  
And I'm not afraid to use it  
You want more  
Let me show you how we do it  
'Cause you know that I got soul
