```
The best things in life are free
So give them to the birds and the bees
I need money (that's what I want)
That's what I want
That's what I want
That's what I want
Your lovin gives me such a thrill
But your lovin can't pay my bills
I need money (that's what I want)
That's what I want
That's what I want
That's what I want
Oh money (that's what I want)
Oh lots of money (that's what I want)
Oh money (that's what I want)
That's what I want
That's what I want
A whole lot of money
Money can't buy everything, it's true
But what it can but I can use
I need money (that's what I want)
That's what I want
That's what I want
That's what I want
That's what I want
A whole lot of money
