

Please Come Home

Hanson

Bells will be ringing the glad, glad news
Oh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again

Choirs will be singing Silent Night
Oh, Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas, by New Years night

Friends and relations send salutations
Sure as the stars shine above, shine above baby
It's Christmas, a Christmas time, my dear
The time of year to be with the ones you love

So won't you tell me that you'll never roam, never roam
Christmas and New Year I'll find you home
There'll be no sorrow, no grief or pain
And I can be happy once again
Won't you come home, baby...

Choirs will be singing glad, glad news
Oh, what a Christmas to have the blues
Please come home for Christmas
Please come home for Christmas
So I can be happy once again
So I can be happy once again
