

I Had The Craziest Dream

Harry James

In a dream the strangest and the oddest things appear
And what insane and silly things we do.
Here is what I see before me, vividly and clear,
As I recall it, you were in it, too.

I had the craziest dream last night, yes I did.
I never dreamt it could be
Yet there you were, in love with me.
I found your lips close to mine so I kissed you
And you didn't mind it at all.
When I'm awake such a break never happens.
How long can a gal go on dreaming?

If there's a chance that you care
Then, please, say you do, Baby.
Say it and make my craziest dream come true.
