

## As Time Goes By

Harry Nilsson

You must remember this  
A kiss is still a kiss  
A sigh is just a sigh  
The fundamental things apply as time goes by  
And when two lovers woo  
They still say "I love you"  
On that you can rely  
No matter what the future brings,  
as time goes by  
Moonlight and love songs never out of date

Hearts full of passion, jealousy, and hate  
Woman needs man, and man must have his mate  
That no one can deny  
It's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers as time goes by
