

Destroy Everything

Hatebreed

A new life begins
Destroy everything x3
Obliterate what makes us weak
Destroy everything x3
Decimate what threatens me

Cleanse this world with flame
End this, cleanse this
Rebuild and start again
Obliterate what makes us weak

End this and embrace the destruction
End this to embrace new life
NEW LIFE!

Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect
Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect

Destroy everything x3
Obliterate what makes us weak
Destroy everything x3
Decimate what threatens me

Cleanse this world with flame
End this, cleanse this
Rebuild and start again
Obliterate what makes us weak

End this and embrace the destruction
End this to embrace new life
NEW LIFE!

Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect
Even an empty threat deserves a response you won't soon forget
I must destroy everything that tries to infect

A new life begins
Destroy everything x2
Obliterate what makes us weak
Destroy everything x3
Decimate what threatens me
Destroy everything x3
So a new life can begin

Destroy everything x3
Rebuild and start again... AGAIN!
