

# I Will Be Heard

Hatebreed

Now is the time for me to rise to my feet  
Wipe the spit from my face  
Wipe these tears from my eyes

Now is the time for me to rise to my feet  
Wipe the spit from my face  
Wipe these tears from my eyes  
I've got to take my life back  
One chance to make it right  
I gotta have my voice be heard  
And bring meaning to this life

Cause I trusted for nothing  
I've been led astray  
I've been tried and trusted  
But i won't except defeat  
Now i've done things I regret  
And it's time to reverse the rolls  
And I just wanna make good on  
All the promises I have made

I will be  
I will be heard  
I will be  
I will be heard

Through the worst we prevail  
So our voices will be heard  
Through the worst we prevail  
So our voices will be heard

Now is the time for me to rise to my feet  
Wipe the spit from my face  
Wipe these tears from my eyes  
I've got to take my life back  
One chance to make it right  
I gotta have my voice be heard  
And bring meaning to this life

Cause I trusted for nothing  
I've been led astray  
I've been tried and trusted  
But i won't except defeat  
Now i've done things I regret  
And it's time to reverse the rolls  
And I just wanna make good on  
All the promises I have made

I will be  
I will be heard  
I will be  
I will be heard
