It's the Limit

Hatebreed

Why you messing around with me
Pushing me around
Values changing
But I can't get caught in it today
We won't lose
with what we've got
Cause we'll just sit
and watch it all rot

Keep your ideas
But keep your distance from me
Keep off my back
cause the things you do
I don't wanna see

I don't wanna see
I don't wanna see
I don't wanna see
I don't wanna see

Wanna see how far I can go
Test my patience see what I know
Just not happy with nothing to do
Getting bold when there's more than two
