

Sick of Talk

Hatebreed

Don't ask me stupid questions
I don't have the answers to
Don't tell me about your problems
Cause I'll just ignore you

I'm sick of talk
I'm sick of talk
Don't talk to me at all
Sick of talk
I'm sick of talk
Don't talk to me at all

You bore the shit right out of me
All the things you say you do
Not the least bit interested
Don't wanna have to listen to you

I'm sick of talk
I'm sick of talk
Don't talk to me at all
Sick of talk
Sick of talk
Don't talk to me at all
