## **Everything You Ever Wanted**

## **Hawk Nelson**

I walked the line Leave it all behind I've been waiting forever Lets go back in time When I could read your mind So long I've been waiting

It took the seasons going by To know its not my fault

I tried to be perfect, tried to be honest Tried to be everything that you ever wanted I tried to be stronger, tried to be smarter Tried to be everything but you

It's been so long Since you've been home I used to wait up forever I used to say a prayer Wishing you were there And I'm still waiting

You told me once You'd show up But I fell for that Before I fell to pieces Then I woke up To no one, Just a picture of Jesus And a house left in pieces

It took the seasons going by To know its not my fault

I tried to be perfect, tried to be honest Tried to be everything that you ever wanted I tried to be stronger, tried to be smarter Tried to be everything but you

I wanted you I need you I want to believe you I want to believe you

I tried to be perfect, tried to be honest Tried to be everything but you

I tried to be perfect, tried to be honest Tried to be everything that you ever wanted I tried to be stronger, tried to be smarter Tried to be everything but you
