

## Assault And Battery

Hawkwind

Lives of great men all remind us we may make our lives sublime  
And departing leave behind us footprints in the sands of time  
Of hewn stones the sacred circle where the wizened sages sat  
Let us try to remember all the times where they were at.  
So your thoughts they were expecting  
assault and battery on the human anatomy  
Assault and battery on the human anatomy man.
