The Golden Void

Hawkwind

The golden void speaks to me Denying my reality I lose my body, lose my mind I blow like wind, I flow like wine

Down a corridor of flame Will I fly so high again? Is there something wrong with me I cannot hear, I cannot see

Down a corridor of flame Down a corridor of flame Down a corridor of flame Down a corridor of flame

Some think the time is past The life you lead will always last Chaotic fusions of your soul Down below that rocky knowle

Through the clouds an open sky The wind flows through your watering eyes The sounds are pitched to draw you on Our never ending journey on

The edge of time On the edge of time On the edge of time On the edge of time On the edge of time On the edge of time The edge of time
