

## Rich Youth

Hayley Kiyoko

I found out it's all a plot  
Polar bears on getting lost  
They just want to get rid of us

Neighbours take their daily stroll  
Through their fate they don't control  
Treading water in the wishing well

I'm giving all my energy  
I'm making my own history  
I'm no ghost  
No fool  
Rich youth  
Brand new  
Unused  
Rich Youth

Living, falling in too deep  
Got no time to meet their needs  
Oh my god  
Let me be free

I'm giving all my energy  
I'm making my own history  
I'm no ghost  
No fool  
Rich youth  
Brand new  
Unused  
Rich Youth

I'm no ghost  
No fool  
Rich youth  
Brand new  
Unused  
Rich Youth

We make something out of nothing  
We keep climbing  
Climbing  
We make something out of nothing  
We keep climbing  
Climbing  
We make something out of nothing  
We keep climbing  
Climbing  
We make something out of nothing  
We keep climbing  
Climbing

I'm no ghost  
No fool  
Rich youth  
Brand new  
Unused  
Rich Youth
