

Fallen From Grace

Heart

I pray for the love, that's fallen from grace. The tears left
behind won't wash from my face. I'm left with all these feeling
s
but nothing fills the space, of a love that once was that's
fallen from grace.

Every little picture hanging on the wall, every little trace of
you
I've found them all. I close my eyes, it's all I can do
Everywhere I look I see some part of you...

I've been through every reason, and nothing seems to fit. No on
e's pleading guilty
now, there's nothing to admit. There's no one to blame baby, on
ce you believe.
Cause people only touch and go, but love will never leave, no.

I'm a little disappointed, I'm a little bit relieved. I feel a
little sorry baby,
I feel a bit decieved. No no not by you darling, I know love's
demanding. Living
with it every day and never understanding.

Shattered dreams and memories of you left hanging over me. A cr
oss to bear, when
love cools, a crown of thorns the queen of fools.
