

Stranded

Heart

Standing here helpless
Where do I go
If you leave me alone
Where do I turn now
If it don't work out
As for as I can see
This isn't the way
That you said it would be...

Don't leave me like this
Don't leave me stranded
If you walk away now
You leave me empty handed
Don't leave me like this
Don't leave me stranded
Don't leave me now
Don't leave me...

Wasn't it you
Who brought me here
To the place lovers go
Just look at these arms
Reaching out to you
You said that you'd always care
I just turned around
And there's nobody there

Don't leave me like this
Don't leave me stranded
If you walk away now
You leave me empty handed
Don't leave me like this
Don't leave me stranded
Don't leave me now
Don't leave me...

You said that you'd always care
I just turned around and there's
nobody there

Don't leave me like...
Don't leave me like this
Don't leave me stranded
If you walk away now
You leave me empty handed
Don't leave me like this
Don't leave me stranded
stranded
Don't leave me like this
Don't leave me stranded
Don't leave me like this
