

The Witch

Heart

The Witch.

Hey, you know there's a girl.
Who's new in town.
But you better watch out now.
Cause she'll put you down.
Cause she's an evil bitch.
And she's a witch.

She's got a long, black hair.
And a big black car.
I know what you're thinking.
But you won't get far.
She's gonna make you itch.
Cause she's a witch.

She walks around
late at night.
When most of the people are
sleeping tight.
And if you hear her knocking
on your door.
You better sneak in away.
Get away, get away, get away, now.

Now you know this girl.
Cause I said, she's strange.
You better be careful.
Before it's too late.
She's gonna do you in.
Cause she's a witch.

She walks around
late at night.
When most people are
sleeping tight.
And if you hear her knocking.
on your door.
You better sneak in away.
Get away, get away, get away..

Now you know this girl.
Cause I said she's strange.
You better be careful.
Before it's too late.
She's gonna do you in.
Cause she's a witch.
