

# Wheels

## Heart

Night inside the city  
Empty sidewalks  
Stretching under dizzy lights  
Rain is hummin'  
The streets are runnin'  
Underneath the neon lights  
We run together  
We'll run forever  
Outta here ridin' the wheels

Look at pretty windows  
At shiny people  
Statues under sparkling lights  
Just take a picture  
And a melted moment  
Flashin' on the crazy ride  
Just close your eyes now  
And breathe a sigh now  
We're gettin' outta here  
Outta here  
Ridin' the wheels  
(Ridin' the wheels)  
Ooo-uh  
Ridin' the wheels  
(Ridin' the wheels)  
Ridin' the wheels

(Wheels)

Outta here, ridin' the wheels  
(Ridin' the wheels)  
Ridin' the wheels  
Ridin' the wheels  
(Ridin' the wheels)  
Ridin', ridin' the wheels  
(Ridin' the wheels)  
Ridin', ridin', ridin' the wheels  
Ridin' the wheels  
Ooo-oh  
Oh  
Aye
