

# You're the Voice

Heart

We have a chance to turn the pages over  
We can write what we want to write  
We gotta make ends meet before we get much older

We're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?

You're the voice, try and understand it  
Make a noise and make it clear  
We're not gonna sit in silence  
We're not gonna live with fear

It's time you know we all could stand together  
We got the power to be powerful  
And believe it, we all could make it better

We're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?

You're the voice, try and understand it  
Make a noise and make it clear  
We're not gonna sit in silence  
We're not gonna live with fear

We're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?

You're the voice, try and understand it  
Make a noise and make it clear  
We're not gonna sit in silence  
We're not gonna live with fear

No, no, no, hey, hey  
We're not gonna sit in silence  
No more, no more  
Oh yeah, no no
