

Texas Chainsaw Mascer-uh

Heavy Heavy Low Low

I remain docile panic panic despite what you say I am still quite afraid panic may arise there will be no memorial to praise your name panic may arise shut your mouth as every last limb is amputated who knew in ten years you'd just be gone and I think it's safe to say the days of wine and roses are over in the event that someone passes away completely unaware that their life is about to pass before their eyes panic may
