

# Body Language

Heidi Montag

Body language  
Oh yeah (yeah, yeah)  
Oh yeah (yeah, yeah)  
I see what I need to do  
Yeah (yeah, yeah)  
Oh yeah (yeah, yeah)

I see you watching  
Tell me is  
Something you like, like  
'Cause I feel you eyes  
As they undress me  
No, don't you stop it  
Love it with ya bad attitude, tude  
'Cause I'm in the mood  
Baby, impress me

Let me follow your lead  
Baby, come on control me  
Come over take on me  
Take me  
If you're in it for real  
Go ahead put it on me  
I know that you want me  
So take me

Read my body language  
I do what you like, like  
So prove that you're right, right  
(Control me)  
Read my body language  
I do what you like, like  
Come into my spotlight  
I got what ya need  
(Need, need, need, need, need)  
I got what ya need  
(Need, need, need, need, need)

Boy, whatcha waiting for?  
Come and take control over me, me  
Show authority  
'Cause I am looking for a boss type  
Someone to fulfill all my needs, needs  
So, give me a pices of your guidance

Let me follow your lead  
Baby, come on control me  
Come over take on me  
Take me  
If you're in it for real  
Go ahead, put it on me  
I know that you want me  
So take me

Read my body language  
I do what you like, like  
So prove that you're right, right

(Control me)  
Read my body language  
I do what you like, like  
Come into my spotlight  
I got what ya need  
(Need, need, need, need, need)  
I got what ya need  
(Need, need, need, need, need)

Check out  
Chillin' in the back of the club tonight  
Make kin between us only right?  
But, keep dancin' show me your step  
And go 'head speed it up like it  
Get in the left lane  
Up in the jet plane  
Fuel about a mill mill  
From Paris to Beverly Hills  
We that ill (That's right)  
Lay my eyes on a sassy pearl  
Heidi Montag  
Yeah, that's my girl

Read my body language  
I do what you like, like  
So prove that you're right, right  
(Control me)  
Read my body language  
I do what you like, like  
Come into my spotlight  
I got what you need

Read my body language  
I do what you like, like  
So prove that your right, right  
(Control me)  
Read my body language  
I do what you like, like  
Come into my spotlight  
I got what ya need  
(Need, need, need, need, need)  
I got what ya need  
(Need, need, need, need, need)  
I got what ya need
