

# Without You

## Highland Glory

A new sunrise  
Through baby's eyes  
The innocence of a newborn child

We finally see  
It's all so clear  
Reveal the reason to be

I wish I could be there  
Every step of the way  
My dear

Without love there to guide me  
And to follow me through  
Without you there beside me

And to follow me through  
I'd be lost in this world  
Without you  
I'd be lost in this world  
Without you

Someone to care  
I'm always there  
To shelter you from the storm

To watch you grow  
A lifetime to love  
But someday I'll have to let go

I wish I could be there  
Every step of the way  
My dear

Without love there to guide me  
And to follow me through  
Without you there beside me

Without love there to guide me  
And to follow me through  
Without you there beside me

Without love there to guide me  
And to follow me through  
Without you there beside me
