Amazing love Now what else shall I need Your name brings life It's more than the air I breathe

My world was changed When Your love You gave for me My purpose found And all that You want for me

And I found myself in You And I found myself in You

Amazing love Now what else shall I need Your name brings life It's more than the air I breathe

Take me to a place Where I can see You face to face And all I want to do All I want to do Is worship You
