

Jesus You Gave it All

Hillsong United

Lord, I lift my voice in praise to You
For the love You placed inside of me
Lord, I give my life, my heart and soul
To You alone

And with every breath that comes from me
Will flow Your mercy and Your grace
Proclaiming love and liberty
For all who have an ear to hear

And Your love
Stirs faith and hope in me
And Your grace
Brings power to set this sinner free
And Your blood
Pours joy into my life
Jesus, You gave it all for me
