

Say His Name within the darkest hour  
And see His light illuminate our path  
The road is narrow but our gaze is set  
On the love of Christ 'til the very end

We walk in the truth that overcame our sin  
Leaving our past and how we once had lived  
Giving our lives to see  
Your Name made known  
'Cause the love of Christ is what the world  
Needs most

So Lord  
Lead us in the ways of Your love  
To lead a broken world to Your cross  
Lead us in the ways of Your love

We are Yours forever  
Our lives won't be the same  
Yours forever our eyes won't turn away  
Yours forever

We sing Your praises 'til our lungs give out  
To the hope of the world  
The One who gave us life  
Giving our lives to see  
Your Name made known  
'Cause the love of Christ is  
What the world needs most

We are Yours forever  
Our lives won't be the same  
Yours forever our eyes won't turn away  
Yours forever our lives won't be the same  
Yours forever our eyes won't turn away

We're living in the One who gave  
His life to see our sin erased  
We know  
We know  
Our hope is never gonna fade away
