He Hit Me (And It Felt Like a Kiss)

He hit me, and it felt like a kiss He hit me, but it didn't hurt me He couldn't stand to hear me say that I had been with someone new And when I told him I had been untrue.... He hit me, and it felt like a kiss He hit me, and I knew he loved me Cause if he didn't care for me I could have never made him mad And he hit me, and I was glad Baby, why won't you stay? Cause when he took me in his arms with all the tenderness there is He hit me, and he made me feel Baby, why won't you stay? Hole
