

## Jennifer's Body

Hole

Well I know it, I can feel it  
Well I know it enough to believe it  
And I know it, I can see it  
But I know it enough to believe it

Bettering you, bettering me  
My better half has bitten me  
Bettering you, bettering me  
I'm sleeping with my enemy  
Myself  
Myself

Found pieces of Jennifer's body  
Found pieces of Jennifer's body  
Found pieces of Jennifer's body  
Just relax, just relax, just go to sleep  
Just relax, just relax, just go to sleep

You're hungry but I'm starving  
He cuts you down from the tree  
He keeps you in a box by the bed  
Alive, but just barely

He said, "I'm your lover, I'm your friend  
I'm pure and he hit me again  
With a bullet, number one  
Kill the family, save the son"  
Himself  
Himself

Found pieces of Jennifer's body

Found pieces of Jennifer's body  
Just relax, just relax, just go to sleep  
Just relax, just relax, just go to sleep  
Now she dies
