

Wiggle That Wotsit

The Hollies

Wiggle
Wiggle that
Wiggle that wot
Wiggle that wotsit

Wiggle that wotsit
Shakin that shimmy
Bring it up to me
Ring a ding a ling me
Turn me on

Wiggle that wotsit
Shake it up shake it down
Serve me up another round
Rub a dub hug me
Turn me on

Lord you know how crazy it makes me
You turn my insides out
The pleasure in the pain is so excruciating
It makes me wanna shout
Give me a hard time

Wiggle
Wiggle that
Wiggle that wot
Wiggle that wotsit

You gonna blow my dynamo
My wheel's ain't gonna touch the ground
Heaven knows how I'm gonna cope with the situation
It makes me wanna shout
Give me a hard time

Wiggle
Wiggle that
Wiggle that wot
Wiggle that wotsit

Wiggle
Wiggle that
Wiggle that wot
Wiggle that wotsit
