

Come Fly With Me

Holly Cole

Come fly with me, let's fly away
If you can use some exotic booze
There's bar in far Bombay
Come fly with me, let's fly away

Come fly with me
Let's float down to Peru
In lava land there's a one man band
He'll toot his flute for you
Come fly with me
Let's take off in the blue

Once I get you up there
Where the air is rarefied
I will just glide starry-eyed
I'll get you up there
I'll be holding you so near
Oh, you may hear angels cheer
'Cause we're together

Weather wise it's such a lovely day
Just say the words and we'll
Beat the birds down to Acapulco Bay
It's perfect for a flying honeymoon
Come fly with me, come on let's fly away

Once I get you up there
Where the air is rarefied
Oh, we'll just glide starry-eyed
I'll get you up there
I'll be holding you so near
Oh ya you might hear angels cheer
'Cause we're together

Weather-wise it's such a lovely day
I'll say the words and we'll
Beat the birds to Acapulco Bay
It's perfect for a flying honeymoon
So come fly with me, come fly with me
Come on come on come on let's fly away
Let's fly away...
