

# One Trick Pony

Holly Cole

One trick pony one trick  
Is all that horse can do  
He does one trick only  
It's the principal source of his revenue  
Steps in the spotlight feel the heat  
Of his heart come rising through  
See how he dances  
See how he loops from side to side  
See how he prances  
The way his hoofs just seem to glide  
He's just, just a one trick pony that's how he is  
But he turns that trick with pride

He makes it look so easy  
He looks so clean  
He moves like one of the gods  
Immaculate machines  
He makes me think about  
All these extra moves I make  
All of the herky jerky motion  
And the bag of tricks it takes  
To get me through my working day  
He's a one trick pony

He's a one trick pony  
He either fails or he succeeds  
He gives his testimony  
Then he relaxes in the week  
He's got one trick to last a lifetime.  
That's all a pony needs

One trick pony  
One trick pony  
One trick pony  
One trick pony
